A Notice of Abandonment, Form PTO-1432, was mailed on October 3, 2006, in patent application Serial Number 09/367,244. The Notice of Abandonment alleged that the applicant had failed to file a response to the Office letter dated October 18, 2004. However, the office action was returned as undeliverable. It appears that the mailing address was not completely shown through the window on the envelope.

Accordingly, no response was required by the attorney and the Notice of Abandonment is therefore, hereby RESCINDED.
